First information message

The conference hosts researchers, teachers of higher educational institutions, teachers of secondary schools, representatives of state educational institutions, doctoral students, applicants, PhD students, master students, students and specialists in the sphere of information and communication technology

Call for Papers

Dear colleagues,

The Department of Applied Mathematics and Computer Science of Zhytomyr Ivan Franko State University is proud to host the IV All-Ukrainian research and practice conference with international participation ‘Modern Information Technologies in Education and Science’, devoted to the 100th anniversary of the Faculty of Physics and Mathematics, which will be held on November 07–08, 2019 at Zhytomyr Ivan Franko State University (Ukraine).
The conference is aimed at promoting academic and applied researches in information and communication technologies (ICT), determining prospective ways of ICT application in science and education, exchanging research findings and practical achievements in this area, establishing closer contacts between researchers of higher educational institutions and scholars of academic institutions, encouraging students to conduct scientific research.

Program Committee of the Research and Practice Conference

**The Head of the Program Committee:**

Kyrychuk H. Ye. Doctor of Sciences (Biology), Full Professor, Rector of Zhytomyr Ivan Franko State University

**The Co-chairs of the Program Committee:**

Bezliudnyi O.I. Doctor of Education, Full Professor, Rector of Pavlo Tychyna Uman State Pedagogical University

Bykov V.Yu. Doctor of Engineering Science, Full Professor, the Full Member of the National Academy of Educational Sciences in Ukraine, Honored Scientist and Engineer of Ukraine, the Principal of Institute of Information Technologies and Learning Tools of NAES of Ukraine

Medvediev M.H. PhD (Physics and Mathematics), Associate Professor, the School of Engineering and Information Technologies, ADA University (Baku)

Mieshalskyi St. Doctor of Humanities (Pedagogy), Full Professor, Professor of the Department of Didactics in University of Warsaw

Nykyforov V.V. Doctor of Sciences (Biology), Full Professor, First Vice-Rector for Education and International Work of Kremenchuk Mykhailo Ostrohradskyi National University

Spirin O.M. Doctor of Science (Pedagogy), Full Professor, Corresponding Member of the National Academy of Educational Sciences in Ukraine, Vice-Principal for Digitalization of Educational and Scientific Activities in State Higher Educational Institution "University Of Educational Management" NAES of Ukraine

Franovskiy A.Ts. PhD (Physics and Mathematics), Associate Professor, Honored Educator of Ukraine, Dean of Faculty of Physics and Mathematics in Zhytomyr Ivan Franko State University

Khomich V.F. PhD (Pedagogy), Associate Professor, First Vice-Rector of State Institution of Higher Education ‘Pereiaslav-Khmelnitskyi Hryhorii Skovoroda State Pedagogical University’

**The Members of the Program Committee:**

Vakaliuk T.A. PhD (Pedagogy), Associate Professor, Associate Professor of the Department of Applied Mathematics and Computer Science

Zhaldak M.I. Doctor of Education, Full Professor, the Member of the National Academy of Educational Sciences in Ukraine, Honored Scientist and Engineer in Ukraine, the Head of the Department of Information Science Foundations in National Pedagogical Dragomanov University

Karpiliuk S.O. PhD (Pedagogy), Associate Professor, Associate Professor of the Department of Applied Mathematics and Computer Science, Vice-Dean of the Faculty of Physics and Mathematics in Zhytomyr Ivan Franko State University

Lytvynova S.G. Doctor of Science (in Education), Senior Researcher, Head of the Department of Technologies of Open Learning Environment in Institute of Information Technologies and Learning Tools of the NAES of Ukraine

Makhometa T.M. PhD (Pedagogy), Associate Professor, Dean of the Faculty of Physics, Mathematics and Computer Science in Pavlo Tychyna Uman State Pedagogical University

Medvedieva M.O. PhD (Pedagogy), Associate Professor, the Head of the Department of Physics, Mathematics and Computer Science in Pavlo Tychyna Uman State Pedagogical University

Mintii I.S. PhD (Pedagogy), Associate Professor, Associate Professor of the Department of Applied Mathematics and Computer Science in State Institution of Higher Education ‘Kryvyi Rih National University’

**The Organising Committee of the Research and Practice Conference**

**The Chairs:**

- Sikora Ya. B. PhD (Pedagogy), Associate Professor, the Head of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University

**The Members of the Organising Committee:**

- Verbivskyi D. S. PhD (Pedagogy), Associate Professor of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Zhukovskiy S. S. PhD (Pedagogy), Associate Professor of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Kryvonos O. M. PhD (Pedagogy), Associate Professor of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Kuzmenko Ye. V. The Head of Computer Laboratories of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Minhalova Ju. I. Assistant of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Mosiuk O.O. PhD (Pedagogy), Senior Lecturer of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Postova S.A. PhD (Pedagogy), Senior Lecturer of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
- Usata O. Yu. PhD (Pedagogy), Associate Professor, Associate Professor of the Department of Applied Mathematics and Computer Science in Zhytomyr Ivan Franko State University
Conference topics:
- Information and Communication Technologies in Education and Scientific Research
- Challenges in IT Specialists’ Training at Higher Educational Institutions
- Information and Communication Technologies in Educational Institution Management
- Design and Development of Electronic Resources for Educational Purposes
- Cloud Technologies in Education

Working languages of the conference are Ukrainian, English and Polish.

Forms of participation: presentation at the plenary session, presentation at the conference workshop, and listener.

During the conference master classes, schools for young scientists, IT-presentations, demonstration of electronic and informational resources will be held.

Conference materials
All submitted materials must be original, and not published before.

Papers (5-6 pages) will be published in the special issue of the journal of scientific papers of the Applied Mathematics and Computer Science Department ‘Topical Issues of Modern Computer Science’ and issued before the conference.

Best theses, reports and papers can be published in the Scientific Journal of Zhytomyr Ivan Franko State University (Pedagogical Sciences) at extra charge. This journal is included in the list of scientific specialized periodicals of Ukraine that can publish the outcomes of the theses for Doctoral and PhD degrees (in Pedagogy) and indexed by the Index Copernicus. The requirements for the article design are on the website http://visnyk.zu.edu.ua/.

The materials of the articles (short articles – 5-9 pages, full articles – 10-15, templates are attached separately), submitted in English with literal translation in order to check whether the content is original, after a double blind review can be included in a separate volume of the CEUR Workshop Proceedings (Aachen, Germany, ISSN 1613-0073), indexed by the Scopus and DBLP. Academic editors of the volume of this collection will be: Dr. S.G.Lytvynova, Institute of Information Technologies and Learning Tools of the NAES of Ukraine, Ukraine; and Dr. M.P.Shyshkina, Institute of Information Technologies and Learning Tools of the NAES of Ukraine, Ukraine.

Additional information and templates can be found at the conference website: https://mites1.webnode.com.ua/

Participation in the conference
Participants should submit an application form (by reference https://goo.gl/forms/yvMFeqmqmC4uDcJm1), a paper (in accordance with the attached requirements, article templates are attached to files) and pay a conference fee and a fee for publishing materials (the payment is made after the receipt of materials for printing).
Key dates:
- submission of materials till October 15, 2019;
- the report of the committee on the acceptance of the article till October 20, 2019;
- payment of a conference fee and a fee for publishing a paper till October 25, 2019;
- sending invitations to the conference till November 01, 2019;
- beginning of the conference November 07, 2019;

Conference fee for participants is 150 UAH. It includes coffee-breaks, city tours, a conference programme, a certificate and a participant's folder.

Payment of travel, accommodation, meals, and travel - at the expense of the organization of the detonator or at his own expense.

Participation for Doctors of Sciences is free of charge.

Printing expenses. All conference participants will be provided with an electronic collection of articles for free. In case a participant wants to get a printed collection of articles, the price per one page of the article is 30 UAH. Sending of the collection of articles is done at the recipient’s expense by Nova Poshta. Publication in the Scientific Journal of Zhytomyr Ivan Franko State University (Pedagogical Sciences) is paid separately.

Payment details will be provided after the organization committee accepts the paper.

All necessary documents are emailed to konf.siton.zu@gmail.com in file (a paper). Names of the files should begin with a surname of the first author (for instance, IvanovIP_article.doc).

After you send all materials to the conference committee, within three days you will get a confirmation letter. If you don’t receive it, please, duplicate your first letter.

Once the materials are approved for publication (you will be additionally informed about it), you will need to pay a conference fee and a fee for publishing materials to the banking details provided and send a copy of a payment receipt (IvanovIP_receipt.doc).
